North Brunswick: Today, the JNESO, District Council 1 announced its endorsement of State Senator Donald Norcross for the first district Congressional seat vacated by Congressman Rob Andrews.

“Throughout his time in the Legislature, State Senator Norcross has been an ally of working families and a fighter for the issues that affect JNESO’s membership,” said Barbara Jones, President of the JNESO local at Virtua Health. “We are proud to endorse his candidacy for Congress.”

JNESO District Council 1 is an affiliate of the International Union of Operating Engineers, representing over 5,000 healthcare workers in New Jersey and Pennsylvania. JNESO members are located in four healthcare facilities in the first Congressional district.

“As president of the Southern New Jersey Central Labor Council for 16 years, Senator Norcross has always been an advocate for JNESO, whether its fighting for better working conditions or fair wages. He knows how important these issues are to our members and New Jersey’s middle class,” said Doug Placa, Executive Director for JNESO. “He’ll make a great Congressman.”
