

## STATEMENT OF PRIORITIES 2021-2023

1. ORGANIZING
2. EDUCATION AND TRAINING
3. SERVICE
4. PUBLIC RELATIONS
5. LOBBYING

### **STATEMENT**

These priorities are established to give guidance to our leadership and staff in the planning of budget and resource allocation.

They are not exclusive or inflexible. They are all interrelated. Each priority is based on an established need. The success or failure of any one priority will affect the success or failure of each of the others.

#### **1. ORGANIZING**

Of both the organized and unorganized with the purpose of increasing our numbers, resources and effective strength.

#### **2. EDUCATION AND TRAINING**

For our members, to increase the availability and quality of ongoing training and education so that we may understand, expand and learn to use our knowledge with the thrust being “Knowledge is Power”.

#### **3. SERVICE**

To our membership, to maintain and improve the skill, knowledge and availability of Collective Bargaining activities such as grievance handling, negotiations, membership benefits, etc.

#### **4. PUBLIC RELATIONS**

To increase knowledge and identification of JNESO, our activities and our successes with our members, potential members, legislators and the general public.

#### **5. LOBBYING**

To identify our Legislative Goals and assume an active role in influencing the Legislative process which in turn influences our daily work life - a special emphasis to be placed on the shortage of Health Care Providers and their staff to patient ratios.
